TRACKDAYS - EUROPEAN TRACKDAYS - HOTTRAX SUPERBIKE SCHOOL - ENDURANCE RACE CLUB

I wish to ride motorcycles and/or generally participate in the track day, pace day or school day, which has been organised by Hottrax Ltd or Hottrax Motorsport Racing Club Ltd ("the Promoter") who has hired the circuit for use.

I understand that motor sport is hazardous and I am voluntarily exposing myself to the risk of personal injury or death by participating in the event. Despite this, I understand that racing and timing is prohibited and that the purpose of the day is to improve my riding skills at speed whilst having due consideration for the safety of others using the track. I understand that other participants will be on the course at the same time.

Whilst involved in the general organisation of the day neither the promoter nor its officers will be scrutinising participants' motorcycles or protective clothing nor giving formal training or instruction. They will however assist the circuit owner, and other interested parties, in enforcing its rules and safety standards as requested on the day.

I understand that the promoter may not carry insurance in respect of any liability, which might arise out of an event, and that my own motorcycle, third party and public liability insurance (if any), is unlikely to cover me for my losses or liabilities but that such insurance is available from specialist brokers. I confirm that the payment I have made to the promoter for the day is a track access charge only and does not include any payment for instruction or supervision or advice about bike setup or anything else. I agree that it is non refundable under any circumstances.

I declare the following:-

- I am competent and able to take part and that my eyesight (with lenses if worn) is adequate for track use.
- That I do not suffer from any medical condition or disability which may make it unsafe for me to participate in a track day, pace day or school day or safely operate a motorcycle. I am not taking any drugs or alcohol that will impair my ability to take part.
- That any motorcycle for which I am responsible and/or which I will use on the track is safe and in good condition and of suitable mechanical condition.
- That I hold the correct motorcycle licence for the size and type of motorcycle being used on the track. This licence enables me to ride on the public roads in the UK or Europe or to participate in other racing events.
- That I will not participate in the track day whilst under the influence of alcohol or intoxicating drugs.
- I will satisfy myself (by sighting lap or otherwise) before taking part that the venue and track is acceptable to me with regard to its features and physical layout.

I agree to make no claim against the promoter, its officers, supporting individuals, companies and agents in respect of any loss or injury suffered by me during the track day and to indemnify them against their costs and losses arising out of any claim made against them or any of them by anyone to the extent that such costs and losses are attributable directly or indirectly to my participation in the track day.

I have read, understood and will comply with all circuit regulations, any supplemental regulations, final instructions and confirmation email for this event given by the organiser and/or venue owner.
